SALES in PRIVATE HOUSES

Messrs. Phillips, Son & Neale have specialized for 130 years in holding Sales of the Contents of Residences on the premises.

Such Sales, ranging from a three weeks' Sale at Fonthill Abbey in 1834 to a fortnight's Sale at Milton Abbey in 1932 ; or from the Contents of a small Residence in Bruton Street (1807), then the residence of Beau Brummell, to innumerable smaller houses in the same vicinity this year, have been carried out almost weekly during the existence of this Firm. The Sales at Melchett Court and Beau Desert will be remembered by many, whereas the Sales for H.M. George III, at Weymouth, for H.M. George IV, at Buckingham Palace, for H.M. Queen Caroline at Brandenburgh House, or for the Countess of Blessington at the famous Gore House were all above 100 years ago.

It is undeniable that this Firm has held more Sales on the premises than any other Auctioneers in existence, and they therefore respectfully submit that their knowledge and experience of such Sales is unequalled.

Messrs. Phillips, Son & Neale will gladly send a representative to any part of the country to inspect and advise on such matters, and owners are invited to discuss with this Firm any property of any description which it is intended to sell.
